Corinne Bailey Rae

Before the throne  
Before the throne  
Of the invisible god  
Of the invisible god

Before the throne  
Before the throne  
Of the invisible god  
Of the invisible god

Kneel

Before the throne  
Before the throne  
Of the invisible god  
Of the invisible god

Before the throne  
Before the throne  
His train filled the temple  
His train filled the temple  
Coal to my lips  
His train filled the temple  
A burning coal to my lips  
To my lips  
A burning coal to my lips
