Butterfly

Corinne Bailey Rae

In my mother's house There's a photograph Of a day gone past Always makes me laugh There's a little girl Wary of the world She got much to learn Get her fingers burned An affinity Between you and me Cause we're family Said that I'd be fine Give me all your time And I left your side Like a butterfly

Shower me with your love All of everyday You make the red rose sun Shine on me Lift me up so high Watch me fly away Would you live your life Like a butterfly

In my mother's house There was happiness I wrapped my myself in it Was my chrysalis As my life unfolds See a pattern through Of you protecting me And I protecting you What was that you'd say Make your own mistakes And when you're grown Make sure that you remain the same Now I realise What was on your mind When I left your side Like a butter fly

Shower me with your love All of everyday You make the red rose sun Shine on me Lift me up so high Watch me fly away Give me life Like a butterfly

Shower me with your love All of everyday You make the red rose sun Shine on me Lift me up so high Watch me fly away Give me life Like a butterfly
