

# Fantasy

Corneille

Every man has a place  
In his heart there's a space  
And the world can't erase his fantasies

Take a ride in the sky  
On our ship, fantasize  
All your dreams will come true right away

And we will live together  
Until the twelfth of never  
Our voices will ring forever, as one

Every thought is a dream  
Rushing by in a stream  
Bringing life to the kingdom of doing  
Take a ride in the sky  
On our ship, fantasize  
All your dreams will come true miles away

Our voices will ring together  
Until the twelfth of never  
We all will live love forever, as one  
Come to see victory  
In a land called fantasy  
Loving life, a new degree  
Bring your mind to everlasting liberty

Come to see victory  
In a land called fantasy  
Loving life for you and me  
To behold, to your soul is ecstasy

You will find other kind  
That has been in search of you  
Many lies has brought you to  
Recognize, it's your life now in review  
As you glide in your stride  
With the wind as you fly away  
Give a smile from your lips and say  
I'm free, yes I'm free, now I'm on my way

Come to see victory  
In a land called fantasy  
Loving life for you and me  
To behold, to your soul is ecstasy

Come to see victory  
In a land called fantasy  
Loving life for you and me  
To behold, to your soul is ecstasy
