Candyman

Cornershop

Well I’m the Candyman, and the Candyman is back

Mark it clean, keep it clean now
The Candyman

I’ll do my share
The Candyman

Mark it clean, keep it clean now
Mark it clean, keep it clean now

Mark it clean, keep it clean now
Mark it clean, keep it clean now

No, I’m the Candyman, and the Candyman is back
No, I’m the Candyman, and the Candyman is back
