

Who Fingered Rock'n'roll

Cornershop

Rock solid is the good-lookin' slow ballad
Who fingered rock and roll
Rock solid is the slow ballad
Who fingered rock and roll
Who put the finger on

Who put the band back on the road
The watts of power
Who put the band back on the road
Who built the CD
Who fingered rock and roll
Who put the finger on

Two in the jukebox one at a time
?
Two in the jukebox
Who fingered rock and roll
Who put the finger on
Who fingered rock and roll

Who flicked the birds to remote control
The same hand that fingered rock and roll
10cc to?
Who built the CD
Who fingered rock and roll
