

# Beating

Corona

I feel  
You're growing inside of me  
I dream  
Only your eyes could be  
You are my life

I'm living for your, honey  
This world is so funny  
Come and see  
That it's true

Ah ah ah ah, it's your heart  
Ah ah ah ah, it's your heart  
Beating, beating

Ah ah ah ah, it's your love  
Ah ah ah ah, it's your love  
Beating, beating

Yes Mum  
I can hear your voice  
I know your heart beats for me  
Your eyes shine for me

I'm waiting for your sweetness  
Your smiles and your kisses  
Don't you know  
How much I love  
You

Ah ah ah ah, it's your heart  
Ah ah ah ah, it's your heart  
Beating, beating

Ah ah ah ah, it's your love  
Ah ah ah ah, it's your love  
Beating, beating  
For me
