Black Cindarella

Corona

Once upon a time
There was a lonely black princess in love
And a prince in her life
He could believe in what she wanted to do

She wanted to be his Cinderella
She wanted to be his love

Deep in my heart I'm loving you
Inside my mind I dream of you
Princess in love I've always been
So walk in my shoes to make it true

Hold me if you can
You get my life and turn it into treasures
Sell me what you want
So you believe in what I want ot do ?

I wanna be your Cinderella
I wanna be your love
