

# Do You Want Me

Corona

Do you want me baby, yee  
Do you want me baby, yeeeeeyeee  
Do you need me baby, eeh, eeeh, yeeeeaaaah

Dirty rumours have been running around about me  
And what I, I say is  
Can't tell a rumour if you wanted to, cos if you do  
You'll have to get away  
Don't you know what goes around comes around, about me  
You'll have to get away  
Do you wanna be mine, make up your mind, about me

Do you want me baby, eeeh  
Do you want me baby, yeeeeeyeee  
Do you need me baby, eeh, eeeh, yeeeeaaaah

You don't want my heart  
You don't want my mind  
Baby see  
You were just wasting my time  
If you think it over baby, I will think it over till you know  
What's on my mind

Do you want me baby, eeeh,  
Do you want me baby, yeeeeeyeee  
Do you need me baby, eeh, eeeh, yeeeeaaaah

Uh, sir  
Uh, sir  
Uh, sir
