

# I Gotta Keep Dancing

Corona

I gotta keep dancin'  
Smiling  
To keep from breaking apart  
I gotta keep dancin'  
Smiling  
To cover up my broken heart

I began to spin  
Please help me pretend, that I don't see  
Just walked in the door  
I'm weak in the knees  
But I gotta make believe that I'm hurt- free  
I just can't let him know

That my heart is, breaking apart  
Music rescue me

I gotta keep dancin'  
Smiling  
To keep from breaking apart  
I gotta keep dancin'  
Smiling  
To cover up my broken heart

Don't let the music stop  
I've gotta camouflage my feelings  
He's not here with me  
I should've know  
That I never should've come, to the party  
And just listen to the beat  
Music can you, take me away  
Help me hide my face

Keep on dancin', do do do do do do yeh  
Keep on smiling, do do do do do do yeh
