

# Saturday

Corona

Forget your troubles  
Forget them tonight  
The world wasn't built in a day  
Forget your problems  
Forget, have fun  
Just dance with me tonight

What's your name ?  
What's your trouble, baby ?  
Tell me what you want to do  
Give it up  
You know it's Saturday  
It's Saturday

It's Saturday night, night !  
It's Saturday night, night !  
It's Saturday night, night !  
It's Saturday night, night !
