

Welcome

Corona

Come on everybody follow me
You can shake your body, it's for free
Welcome to my dancefloor
Don't be shy
I just wanna have a good time

Music, rhythm, music
Comes from me
Rhythm, music, rhythm
You can feel
Come on everybody
Come on everybody
Come on everybody
Shake with me

Welcome, welcome...

Welcome, welcome, welcome to my dancefloor
Welcome, welcome, welcome to my dancefloor
Welcome, welcome, welcome to my dancefloor
Welcome to my dancefloor tonight
Welcome, welcome, welcome to my dancefloor
Welcome, welcome, welcome to my dancefloor
Welcome, welcome, welcome to my dancefloor

Welcome to my dancefloor tonight

Everybody around me
Wants to dance
All the people're shaking
Clapping hands
Move feeling the rhythm
Laugh and scream
Come on everybody with me

Music, rhythm, music
Comes from me
Rhythm, music, rhythm
You can feel
Come on everybody
Come on everybody
Come on everybody
Sing with me

Welcome, welcome...

Tonight, tonight you can shake on my dancefloor
Tonight, tonight you can shake on my dancefloor
