

Human Mania

Coronatus

Hahahaha, oh yeah

Nightfall in the woods
Last bloody ray
Vanished fast
Shadow fay
Cursed the day

Killer clowns that hide in the forest
Human mania behind every tree

All alone in the woods' darkest dreads
Far from home, sense the roots' deepest threats
Trepidation
All around, rustling ground, frightening sound
Horror flash of a big, big black hellhound

Nightfall in the woods
Last bloody ray
Vanished fast
Shadow fay
Cursed the day

Creepy clowns that hide in the forest
Human mania behind every tree

Killer clowns kill clowns in the forest
Human mania behind every tree

Arcane gloom, scary glimpse, cackling voice
Nightmare doom, whispering ghosts, deadly choice
Trepidation
All around, rustling ground, frightening sound
Horror flash, of a big, big black hellhound

Nightfall in the woods
Last bloody ray
Vanished fast
Shadow fay
Cursed the day

Kill the clowns that hide in the forest
Human mania behind every tree

Ah hahahahaha
