

Mr. Beasley

Corrinne May

You don't have to drive a fancy car

Don't have to quote me Shakespeare just to woo me

Yeah I see your nervous laughter when you're trying to crack some joke

Well, you don't fool me

I'd like to see your eyes through those goggles that you're wearing

Don't try to hide away

Just be yourself, Mr. Beasley

I don't need your show of attitude

Coz' it's your soul that makes me fall in love with you

You don't know this but I see you in the church when you are praying,

You just move me

And my friend Sue she tells me you've been teaching kids for free

Mr. Philanthropy

I'd like to see your eyes through those goggles that you're wearing

Don't try to hide away

Just be yourself, Mr. Beasley

I don't need your show of attitude

Coz' it's your soul that makes me fall in love with you

Be yourself, Mr. Beasley

I don't need your show of attitude

Coz' it's your soul that makes me fall in love with you

I'd like to see your eyes through those goggles that you're wearing

Don't try to hide away
