

Psychic Vampire

Corrosion of Conformity

From the pulpit the puppet's mouth is infested with
suggestion.

A description unfitting, resonate and predigested.

A transaction of extraction, transference is here.

Stir the pot to see what you've got to appear.

Psychic vampire, paranoia down the wire.

Psychic vampire goodbye.

Adorn the queen oblivion, as a pawn your life in hawk.

Gilded road to emptiness, feel the chill of time's
caress.

Psychic vampire, paranoia down the wire.

Psychic vampire, goodbye.
