The Nectar

Corrosion of Conformity

Guardian angel, devil in wait
Sampled your wares, was a mistake
Darkness within revealed
Spun out on the light that you crave

Recognize what is in sight and what's hidden will come into vie
w
I hear you rail against the competition
What you're selling is the only true elixir
Recognize what is in sight and what's hidden will come into vie
w

Drink of the nectar, you true believer, let reason sleep, drink
 deep
Worm-holed soul, how to fill the need
Drink of the nectar, drink deep
Recognize what is in sight and what's hidden will come into vie
w
Oh, in the mind, how they plant the seed, and feed the forces,
dark forces they've freed
