```
Oh say man, are you still alive, cause I heard your
ship was sinking
Back in town, but there's nothin' around, man, I know
the feeling'
I'm talkin' bout it
Who's got the fi-yah?
Who's got the fi-yah?
Who's got the fi-yah?
Leave it for the love and try to call me a liar.
Hey you. Mr. Highball, too young to walk, too old to
Quittin' time, but is your soul better, never mind,
never mind
Quit talkin' bout it
Who's got the fi-yah?
Who's got the fi-yah?
Who's got the fi-yah?
Leave it for the love, put me out
To' up, from the Flo' up, I say Stop...wait a minute
now Ho' up
Heat come around to hunt you down
I know you know the feelin'
I'm talkin' bout it
Who's got the fi-yah?
Who's got the fi-yah?
Who's got the fi-yah?
Leave it for the love, put me out
```
