

# No More Cry

The Corrs

I want to feel just like before  
Before the rain came in my door  
Shook me up turned me around  
Made me cry till I would drown

Stole the daylight, brought the night  
So much anger I would fight  
Lost my youth and the blue  
Saw all the loneliness in you

Want to help you give my love  
Shine some light out from the mud  
Fill the empty find a rhyme  
A brighter day a better time

But I'm wondering where I'm gone  
Can't find the truth within my song  
And all I have give to you  
To let you know you're not alone

I'm telling you  
I'm smiling for you only (only...)  
I'm trying for you solely (solely...)  
I'm praying for you only (only...)  
No more cry, no more cry...

I want to hear you laugh again  
Without the ache to bring you down  
No we'll never be the same  
If only I could take your pain

But if it's true what people say  
There still is beauty in each day  
We'll find comfort in her strength  
One day soon we'll meet again

I'm telling you  
I'm smiling for you only (only...)  
I'm trying for you solely (solely...)  
I'm praying for you only (only...)  
No more cry, no more cry...

(Only) I'm singing for you only (only...)  
Yeah, I worry for you only (only...)  
I'm praying for you only (only...)  
No more cry, no more cry...

Reach out for your love (love...)  
Shout out for your love (love...)  
Listen for your love (love...)  
Believe in her love... (love...)

I'm telling you  
I'm telling you  
I'm smiling for you only (only...)  
I'm trying for you solely (solely...)

I'm praying for you only (only...)  
No more cry, no more cry  
I'm singing for you only (only...)  
Hey, I worry for you only (only...)

But it's you saves me from lonely (lonely...)  
No more cry, no more cry  
No, no more cry... (no more cry...)  
No more cry... (no more cry...)

No more cry... (no more cry...)  
No more cry
