She'll be the Queen of Hollywood

And the cynics they will wonder

What's the difference with this dream

And the dreams of countless others

All believing in TV

They see their hand prints in a sidewalk

Flashing cameras on the scene

And a shining limousine

She's never gonna be like the one before

She read it in her stars that there's something more

No matter what it takes no matter how she breaks

She'll be the Queen of Hollywood

It's a loaded fantasy

Now her mother collects cut-outs
And the pictures make her smile
But if she saw behind the curtains
It could only make her cry
She's got hand prints on her body
Sad moonbeams in her eyes
Not so innocent a child

She's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes no matter how she breaks
She'll be the Queen of Hollywood
She's never gonna be like the one before
She read it in her stars that there's something more
No matter what it takes and even though she breaks
She'll be the Queen of Hollywood
She is the Queen of Hollywood, the Queen of Hollywood

She is the Queen of Hollywood
