## The drinking loving dancers

**Corvus Corax** 

Let us drink, let us drink
Let us drink the whole night
We shall sleep when we are dead
And we won't put up a fight

Let's make love, let's make love Let's make love the whole night We shall sleep when we are dead And we won't put up a fight

Let us dance, let us dance Let us dance the whole night We shall sleep when we are dead And we won't put up a fight

Let us drink, let's make love Let us dance the whole night We shall sleep when we are dead And we won't put up a fight
