Everything You Do

Cory Asbury

And I was born inside of a rainbow
And I was raised on mercy and grace
And I was crowned with sweet love and kindness
I was made to see Your face

So I sing, Hallelujah
I sing, Hallelu
I sing Hallelujah
'Cause I love You

'Cause everything You do
It just screams I love you
And everything You are
Says I care

Everything You do
It just screams I love you
And everything You are
Says I care

I was called from out of darkness
And I was clothed with mercy so sure
And I was given beauty for ashes
And everything else that I don't deserve

So I sing, Hallelujah
I sing, Hallelu
I sing Hallelujah
'Cause I love You

'Cause everything You do
It just screams I love you
And everything You are
Says I care

Everything You do
It just screams I love you
And everything You are
Says I care

And what am I that You would love me like You do
And who am I that You should care?

And what am I that You would love me like You do
And who am I that You should care?

What is man, what is man
What is man, what is man
