

# In Your Eyes

Cory Asbury

Love, I get so lost sometimes  
Days pass and this emptiness fills my heart  
When I want to run away  
I drive off in my car  
But whichever way I go  
I come back to the place you are

And all my instincts, they return  
And the grand facade, so soon will burn  
Without a noise, without my pride  
I reach out from the inside

In your eyes  
The light, the heat  
I am complete  
I see the doorway to a thousand churches  
The resolution to all my fruitless searches

Oh, I see the light and the heat  
Oh, I want to be that complete  
I wanna touch the light  
The heat I see in your eyes

Love, I don't like to see so much pain  
So much wasted and this moment keeps slipping away  
And I get so tired of working so hard for our survival  
And I look to the time with you to keep me awake and alive

And all my instincts, they return  
And the grand facade, so soon will burn  
Without a noise, without my pride  
I reach out from the inside

In your eyes  
The light, the heat  
I am complete  
I see the doorway to a thousand churches  
The resolution to all my fruitless searches

Oh, I see the light and the heat  
Oh, I wanna be that complete  
I wanna touch the light  
The heat I see in your eyes

In your eyes  
In your eyes  
In your eyes  
In your eyes  
In your eyes  
In your eyes  
In your eyes
