

C'Mon Shadow

Cory Branan

[Verse 1]

C'mon shadow
I know you remember feeling nine feet tall
But c'mon shadow
Did you forget the times she had me climbing all the walls?

[Chorus]

C'mon shadow
Wander with me underways a spell
C'mon shadow
Tonight I'd rather not be by myself
She made it clear that we're not welcome
What are we waiting for? Aw hell
C'mon shadow

[Verse 2]

Must you lag so far behind each step we take?
C'mon shadow
It does no good to drag your heels when passing by the place

[Chorus]

C'mon shadow
Wander with me underways a spell
C'mon shadow
Tonight I'd rather not be by myself
She made it clear that we're not welcome

What are we waiting for? Aw hell
C'mon shadow

(C'mon.)

(Pick it up.)

I know you don't believe it's true, but please pretend
'Cause it looks like it's just you and me again

[Verse 3]

C'mon shadow
Dont' exaggerate the tragic shape we're in
C'mon shadow
Would it kill you trying out the bright side now and then?

[Chorus]

C'mon shadow
Wander with me underways a spell
C'mon shadow
Tonight I'd rather not be by myself
She made it clear that we're not welcome
What are we waiting for? Aw hell
C'mon shadow

So what if one bright day is gone?
C'mon, I'll race you home
