

# Goodbye

Cory Lee

Do do do,  
Do do do,  
Do do do do dono whoa whoa whoa whoa whoa

Here's a story about a girl I used to know  
She had a boyfriend he said he had to go  
He said he's sorry  
But he's got to take a break  
Her heart was broken but she said she would wait

Tick tock  
Three months gone by  
Knock knock  
There's a tear in his eye  
What what  
Moving back to stay  
There's just one that I got to say

Arrivederci sayonara au revoir bonsoir  
How many ways can I say goodbye {good bye} goodbye {good bye} goodbye {good  
bye}  
Goodbye so long goodbye

Do do do do do do do do whoa whoa whoa  
While you were playing I was going back to school unlearning  
All that u taught me to be  
Whose the a\*\*\*\*\* standing at my door  
Begging lying broken bleeding asking for more

Tick tock  
Three months gone by  
Knock knock  
There's a tear in his eye  
What what  
There's someone better for me  
I gotta tell you something baby now that I'm free

Arrivederci sayonara au revoir bonsoir  
How many ways can I say goodbye {good bye} goodbye {good bye} goodbye {good  
bye}  
Goodbye so long goodbye

Goodbye goodbye so long goodbye
