

# Lovers Holiday

Cory Lee

Haven't seen you lately  
Been kinda busy  
Working day and night no time for you  
Now I make the money  
So we can go away  
I just wanna make it up to you hey

No more 9 to 5  
Gonna leave it all behind  
Time for you and I to get away  
No matter what we do  
Cause as long as I'm with you  
We can spend some time and celebrate

I wanna take ya  
All around the world  
Baby you and me (baby you and me)  
There's so much to see (there's so much to see)  
I wanna take ya  
All around the world  
Let's go far away  
Lovers holiday

Now I know you love me  
You make me happy  
I'm so tired of me missin you  
Hope that your ready  
For a holiday  
I just wanna make sweet love to you

No more 9 to 5  
Gonna leave it all behind  
I'm for you and I to get away  
No matter what we do  
Cause as long as I'm with you  
We can spend some time and celebrate

I wanna take ya  
All around the world  
Baby you and me (baby you and me)  
There's so much to see (there's so much to see)  
I wanna take ya  
All around the world  
Let's go far away
