Oh, Boy
This goes out to all the hot clubs
New dress codes for players and thugs
All the ghetto men that I love
Oh, Boy
I've seen them post it up by the bar
Yeah, Yeah, You know who you are
what's this thing that I'm feeling

You see how i'm acting
The way my body's reacting
I from my front to my back end
I think i'm gonna ovaload
I think i'm gonna ovaload
You see how i'm acting
The way my body's reacting
It's from my front to my back end
I think i'm gonna ovaload
I think i'm gonna ovaload

Oh, boy
I'm so tipsy won't cha come get me
I'm to forward you got to forgive me
turning me on 'cause damn you so sexy
Oh, boy
We don't know each other then we should
But the more we talk, the more we gonna catch up
Promise me that were gonna keep in touch

Won't cha come bring me the phone
Me and my friends getting me alone
Everybody head straight for home
Head straight for first base to home

You see how i'm acting
The way my body's reacting
I from my front to my back end
I think i'm gonna ovaload
I think i'm gonna ovaload
You see how i'm acting
The way my body's reacting
It's from my front to my back end
I think i'm gonna ovaload
I think i'm gonna ovaload

Oh, boy
To the left, to the left
To the right, to the right
from the front, to my back and
Oh, boy

To the left, to the left
To the right, to the right
from the front, to my back and

Won't cha come bring me the phone
Me and my friends getting me alone
Everybody head straight for home
head straight for first base to home

You see how i'm acting
The way my body's reacting
I from my front to my back end
I think i'm gonna ovaload
I think i'm gonna ovaload
You see how i'm acting
The way my body's reacting
It's from my front to my back end
I think i'm gonna ovaload
I think i'm gonna ovaload
