

# Thugaboo

Cory Lee

Hey  
I don't want you to go  
I just want you to know that  
This ain't about me, it's about you

My dearest thugaboo  
I've been missin you  
And all the yesterdays and memories  
Are fading

Lately you've been gone  
Down the road your on  
Soon you'll go so far  
That you can't find your way back home

Don't you wanna be loved (don't you wanna be loved)  
Don't you wanna be touched (have someone to hold you)  
Show him what your made of (show him what you do)  
It's not to late for you to choose to walk away baby

Dear thugaboo  
I love you  
But I can't stand to see  
Them other brothers pull you down

Dear thugaboo  
Where are you runnin too  
Won't you turn around  
Turn around

Singin na na na, na na na, na na na na (dear thugaboo)  
Na na na, na na na, na na na na  
Singin Na na na, na na na, na na na na (dear thugaboo)  
Na na na, na na na, na na na na

You know nobody boo  
Knows you like I do  
I know the man that lyes beneath  
All your pretending

So I can't change your mind  
I'm runnin out of time  
Cause in this story  
Only you can write this ending boy

Don't you wanna be loved (don't you wanna be loved)  
Don't you wanna be touched (have someone to hold you)  
Show him what your made of (show him what you do)  
It's not to late for you to choose to walk away baby

Dear thugaboo  
I love you  
But I can't stand to see  
Them other brothers pull you down

Dear thugaboo  
Where are you runnin too

Won't you turn around  
Turn around

Dear thugaboo  
I love you  
But I can't stand to see  
Them other brothers pull you down
