

# Jingle My Bells

Cory Marks

Jingle my bells  
It's Christmas 'round the world today  
Come on and jingle my bells  
It's Christmas 'round the world today  
It won't be long till we're wakin' up on Christmas day

Go shoppin' in the mornin'  
To buy a Christmas tree  
I can't afford the tinsel  
But that's all right with me  
The weather's lookin' snowy  
So Santa won't be late  
If you be good I know he should be  
Flyin' through your gate

Jingle my bells  
Come on and jingle my bells  
Jingle my bells cause it's Christmas 'round the world today

Come on and jingle my bells  
It's Christmas 'round the world today  
Come on and jingle my bells  
It's Christmas 'round the world today  
It won't be long till we're wakin' up on Christmas day

I thought I saw a reindeer  
Comin' down the road  
You won't believe the snowman  
Knockin' at my door  
There's elves in my basement  
I hear 'em all the time  
If Santa don't come pretty soon  
I'm gonna lose my mind

Jingle my bells  
Come on and jingle my bells  
Jingle my bells cause it's Christmas 'round the world today  
It's Christmas 'round the world today!
