

Wild Ride

Cory Marks

Some days are easy, some days are hard
You might be closer than you think you are
You got this kid, saddle up and ride
Just keep on reachin', keep moving on
It's always darkest just before the dawn
Don't stop believin', keep the dream alive

Ten cups of coffee and a cigarette
A little hard work ain't killed me yet

It's a wild ride
A crazy good life
Cause if you're going up you best enjoy the climb
It's a wild ride, a wild ride

It's a wild ride
A crazy good life
Get what you want until you're satisfied
It's a wild ride, a wild ride

Full throttle crazy, smokin' tires
Kickin' up dust and you're lightin' fires
Do what you want, yeah
Never what they say
There ain't no stoppin' or slowing down
They won't forget you when you leave this town
You're either in or you're in the way

So turn it on, make the engine sweat
Takin' off like a fighter jet

It's a wild ride
A crazy good life
Cause if you're going up you best enjoy the climb
It's a wild ride, a wild ride

It's a wild ride
A crazy good life
Get what you want until you're satisfied
It's a wild ride, a wild ride

Another coffee and a cigarette
A little hard work ain't killed me yet

Cause it's a wild ride
A crazy good ride
Cause if you're going up you best enjoy the climb
It's a wild ride, a wild ride

It's a wild ride
A crazy good life
Get what you want until you're satisfied
It's a wild ride, a wild ride
It's a wild ride, a wild ride
It's a wild ride, a wild ride
It's a wild wild ride

Let it go, boys

Woo!
