

A Better Man

Cory Morrow

She'd been waiting for hours I made her wait for days
She said she'd wait a lifetime And with that said I went
my own way
I chose a path to be awakened Hoping a better man was
within
I found someone out there Someone bigger than who I had
been
I would ask her to have me But I'd been gone too long I
was sure
Something deep down inside me Knew our love would be
stronger than words
You can be sure of one thing I wasted no time on my own
Let your fears subside babe 'Cause I'm a better man for
you to love
Now I will do the waiting All night long I don't sleep
I lay awake for hours Waiting[for her so I can breathe
You can be sure of one thing I wasted no time on my own
Let your fears subside babe 'Cause I'm a better man for
you to love
You can be sure of one thing I wasted no time on my own
Let your fears subside babe 'Cause I'm a better man for
you to love
I'm a better man for you to love
