

## Beer

Cory Morrow

She called me late last night  
To say she loved me so  
It don't matter anymore  
See she never cared  
And she never will  
I do all I can  
I guess I'll just have to wait til then

If I get drunk  
Well I'll pass out on the floor baby  
You won't bother me no more  
If you're drinkin'  
Well you know you're my friend  
And I say I think I'll have myself a beer  
I think I'll have myself a beer

She called me late last night  
To say she loved me so  
I guess you changed your mind  
Well I should've known  
It wouldn't be alright  
Cause I can't live without her  
So I won't even try

If I get drunk  
Well I'll pass out on the floor baby  
You won't bother me no more  
If you're drinkin'  
Well you know you're my friend  
And I say I think I'll have myself a beer  
I think I'll have myself a beer

Maybe someday I'll think of what to say  
Maybe next time I'll remember what to do  
She looks like heaven  
Maybe this is hell  
She said she'd do it all again  
She promised not to tell

If I get drunk  
Well I'll pass out on the floor baby  
You won't bother me no more  
She said it's okay Cory  
Cause you know we'll be good friends  
And I say I think I'll have myself a beer  
I think I'll have myself a beer
