

## Distant

Cory Wells

Just stay away from me  
The Devil's got the best of me  
And it's all you'll need to know

Just stay away from me  
The Devil's got the best of me  
And it's all you'll need to know

Stay away from me  
The Devil's got the best of me  
And it's all you'll need to know

Just stay away from me  
The Devil's got the best of me  
And it's all I'll let you know

All you'll need to know  
It's all you'll need to know  
It's all you'll need to know  
It's all I'll let you know

It's all you'll need to know  
I've got to let you go  
It's all you'll need to know
