

## London Rain

Cosmic Gate

You`re wearing this mask and you`re ok  
You bury yourself when you say  
The truth ... But finally you will  
You hide behind an inner smile  
When the one is passing by  
And turns away  
What am I to do now  
Colors fade to grey  
What am I to do now  
In this London rain  
This London rain  
I just hear your name  
I`m screaming it into this London rain  
I don`t look back  
I don`t react no more  
So dead and lame  
On my way through this London rain  
I don`t look back  
I don`t react no more  
I just hear your name  
I`m screaming it into this London rain  
I don`t look back  
I don`t react no more  
So dead and lame  
On my way through this London rain  
I don`t look back  
I don`t react no more  
And still I`m waiting  
For the one who is to blame  
Still hesitating in this London rain  
London rain ...
