

Open Your Heart

Cosmic Gate

I have lingered, for only the instant
Just like searching, waiting for snow
And now it's here, this is our moment
There's no way past, I'll won't let it go
Can you sense the atmosphere
Do you feel alive
Everything seems so very clear
Breathing to survive
If you open your heart
Show me inside
Won't let you fall apart
Because this is our time
This is our time
If you open your heart
Show me inside
Won't let you fall apart
Because this is our time
If you open your heart
There's no need to explain
Won't let you fall apart
You'll never be lost again
