

Beech

Cosmo Sheldrake

Beech gives wind speech (Beech gives)
Beech gives wind speech (Wind speech)
Beech gives wind speech (Beech gives)
Beech gives wind speech (Wind speech)

Beech gives wind speech (Beech gives)
Beech gives wind speech (Wind speech) (Gives wind speech)
Beech gives wind speech (Beech gives) (Wind speech)
Beech gives wind speech (Wind speech)

Each branch reaches to other branches as the gale rises
Each leaf dances with other leaves as the storm crashes
Can you hear that inland sea, its slow explosion?
Its slow explosion
Its slow explosion
High in the hill-woods, huge surf breaks far from any ocean
