

Breathe Round Corners

Cosmo Sheldrake

Don't go walking
Sorrow's stalking
Why so silent today
Breathe round corners
Dusts come sooner
We'll wallow the solitude away

Sit and watch as we get older
Smiles crinkle in the corner
Saved for a rainy day

I'll go walking
I've run aground talking
I'll beat the furrows away

Oh, swift and swallow
Where are you to be tomorrow?
Starling and sparrow
Find a hole or start to burrow

Sit and watch as we get older
Smiles crinkle in the corner
Saved for a rainy day

I'll go walking
I've run aground talking
I'll beat the furrows away
