

# Did Don't Do

Cosmo Sheldrake

Did don't do  
Don't you too  
Won't what we

He be me  
I be they  
They be we

Birds eye view  
The morning dew  
It's true

He she they  
You be you  
We be free

What be where  
Where be what  
Take me there

Birds eye view  
The morning dew  
It's true

Egg toast tea  
We be we  
What makes you hungry  
What say you  
What say we  
Fill my cup till empty

Egg toast tea  
We be we  
What makes you hungry  
What say you  
What say we  
Fill my cup till empty

Egg toast tea  
We be we  
What makes you hungry  
What say you  
What say we  
Fill my cup till empty

Egg toast tea  
We be we  
What makes you hungry  
What day you  
What say we  
Fill my cup till empty

Did don't do  
Don't you to  
Won't what we

He be me

I be they  
They be we

Birdseye view  
The morning dew  
It's true

Egg toast tea  
We be we  
What makes you hungry  
What day you  
What say we  
Fill my cup till empty
