

# Echolocation

Cosmo Sheldrake

How, how come echolocation  
Why, why now, why us and you

Oh me, oh my  
Many ways  
To be, to see

Bounce, bounce sound, reverberation  
Shape, shape space, from atmosphere  
Bounce, bounce sound, reverberation  
Shape, shape space, from atmosphere

Oh me, oh my  
Many ways  
To be, to see  
Oh me, oh my  
Many ways  
To be, to see  
Oh me, oh my  
Many ways  
To be, to see
