

# Soil

Cosmo Sheldrake

I wanna go downwards  
I wanna be ground  
I wanna be fed on  
I wanna break down

I wanna be all gone  
I wanna be food  
I wanna be walked on  
I wanna be soil

I wanna be soil  
I wanna be sound  
I wanna hold secrets  
That will never be found

I wanna be soil  
Live upside down  
But it will never get lonely  
With everyone round

I wanna go downwards (I wanna go downwards)  
I wanna be ground (I wanna be ground)  
I wanna be soil (I wanna be soil)  
I wanna be sound

But it will never be silent  
And I will never be found  
Never never be a question  
That I wanna go down

That I wanna be soil  
That I wanna be ground
