

## Marula

Cotton Jones

La dah di ah ooo  
La dah di ah ooo  
La dah dah di ah ooo lah  
La dah du ah eee

Youch the burst came first and then the hearse  
And then of to see marula  
Then early on I learned the song  
That I would play for a marula  
Marula, we haven't gone there in so long  
Marula, if you get there carry on

La dah di ah ooo  
La dah di ah ooo  
La dah dah di ah ooo lah  
La dah du ah eee

It's a brand new try with a brand new eye  
In a brand new window by a brand new sky  
Breathing the brand new air, sitting in the brand new chair  
Watching the brand new birds, flying high

Marula, oh I don't mind if I do

Marula thank you thank you thank you for Marula

La dah di ah ooo  
La dah di ah ooo  
La dah dah di ah ooo lah  
La dah du ah eee

La dah di ah ooo  
La dah di ah ooo  
La dah dah di ah ooo lah  
La dah du ah eee

La dah dee ah oo  
La dah dee ah oo  
La dah dee ah oo lah
