

BLINK

Coucou Chloe

I will never ever never ever never ever never ever never ever n
ever ever never ever never ever let you down, let you down, let
you down

I will never ever never ever never ever never ever never ever n
ever ever never ever never ever let you down, let you down, let
you down

I will never ever never ever never ever never ever never ever n
ever ever never ever never ever let you down, let you down, let
you down

I will never ever never ever never ever never ever never ever n
ever ever never ever never ever let you down, let you down, let
you down

I will never ever never ever never ever never ever never ever n
ever ever never ever never ever let you down, let you down, let
you down

Anything, I can't believe in anything

I will never ever never ever never ever never ever never ever n
ever ever never ever never ever let you down, let you down, let
you down

Let you down, let you down, let you down, let you down, let you
down

Let you down, let you down, let you down, let you down, let you
down, let you

Let you down

One day I felt beauty and since you left all I got is me

One day I felt beauty
