

# DROP TEN

Coucou Chloe

It stress me the way I care  
No way to fix what I don't say  
But I don't care  
It stress me the way they care  
Nothing to fix, they wanna play  
But I don't care

Whoa, it's stressy in the back  
Whoa, so, so stressy in the back  
Whoa, it's stressy in the back, yeah  
Whoa, it's stressy in the back

It stress me the way I care  
No way to fix what I don't say  
But I don't care  
It stress me the way they care  
Nothing to fix, they wanna play  
But I don't care

Whoa, it's stressy in the back  
Whoa, so, so stressy in the back  
Whoa, it's stressy in the back, yeah  
Whoa, it's stressy in the back

It stress me the way I care  
No way to fix what I don't say  
But I don't care  
It stress me the way they care  
Nothing to fix, they wanna play  
But I don't care
