Coucou Chloe

Sometimes, I like to think that I go where it's safe
Tend to forget what I want, but always know where I head
Tend to forget what I want, but always know where I head
Sometimes, I like to think that I know where it's safe
Tend to forget what I do, but always know where I am though
Tend to forget what I do, but (Where we heading?)

He asked me what I do, but I don't wanna answer, no
"When do I see you?" I don't wanna answer
I just take some time off, just for myself
Getting lost in what I got, I can't feel a thing today
Take your time, let me take your time
But waste mine and I'll find you around
Oh, yeah, waste mine and I'll find you around

"Chloe, Chloe, where are you going?"
"Chloe, where are you going? Why aren't you stopping?"

If you're lost, I'll be here
If you fall, I'll be here
I won't let you down, I won't let you down, no
(Sometimes)

Sometimes, I like to think that I go where it's safe
Tend to forget what I want, but always know where I head
Tend to forget what I want, but always know where I head
Sometimes, I like to think that I know where it's safe
Tend to forget what I do, but always know where I am though
Tend to forget what I do, but la-la-la-la-la, ayy
CHLOE
Tend to forget what I do, but la-la-la-la-la, ayy

You bitches will talk, but I do what I want
You bitches will talk, but I do what I want
You bitches will talk, but I do what I want
In my ice dreams, I do what I want
You bitches will talk, but I do what I want
In my ice castle dreams, I do what I want
