

## GUESS

Coucou Chloe

He's a bitch  
He's a bitch  
He's a bitch  
He's a bitch

Well guess what, once again, right, we're here right there you  
stand  
Giving up on what was dead, take a new jump in my bed  
A whole dance that we knew, you know the one that we used to do  
-He's a bitch-

He's a bitch -He's a bitch-  
He's a bitch -He's a bitch-  
He's a bitch -He's a bitch-  
He's a bitch -oh he's a bitch-

Wait, what's the point of being two when all I hear is 'what ab  
out you?' yea  
Make jokes, laid racks, fuck money right? Love lacks  
He's a bitch... You're a bitch, but that I always knew

1 bitch, 2 bitches, 3 bitches, 4  
5 bitches, 6 bitches, 7 and more  
8 in my head, 9 in my bed  
10 bitches, do the flip, I'm going insane

Do the flip, here we go again  
Do the flip, I'm going insane  
Do the flip, euh  
Do the flip, I'm going insane

He's a bitch -He's a bitch-  
He's a bitch -He's a bitch-  
He's a bitch -He's a bitch-  
He's a bitch -oh he's a bitch-
