

## SILVER A (TITN PART 2)

Coucou Chloe

Lit cause if not I think of you  
Those bitches trying to sneak but it's all about you  
I take hits but I know it's all for you  
It's all for you, it's all for you  
I get lit cause if not I think of you  
Those bitches trying to sneak but it's all about you  
I take hits but I know it's all for you  
It's all for you, it's all for you

I make lists cause if not I stick to you  
I'm trying to move some hips but it's all about you  
I'm trying to take some risk, shit I been through it  
All the shit I been through

Wow bitch you're struggling  
Wow bitch you're struggling  
Wow bitch you're struggling

Wow bitch you're struggling  
Wow bitch you're struggling  
Wow bitch you're struggling

Lit cause if not I think of you  
Those bitches trying to sneak but it's all about you  
I take hits but I know it's all for you  
It's all for you, it's all for you  
I get lit cause if not I think of you  
Those bitches trying to sneak but it's all about you  
I take hits but I know it's all for you  
It's all for you, it's all for you

Lit cause if not I think of you  
Those bitches trying to sneak but it's all about you  
I take hits but I know it's all for you  
It's all for you, it's all for you  
I get lit cause if not I think of you  
Those bitches trying to sneak but it's all about you  
I take hits but I know it's all for you  
It's all for you, it's all for you

Lit cause if not I think of you  
Those bitches trying to sneak but it's all about you  
I take hits but I know it's all for you  
It's all for you, it's all for you
