## **Amy Hit The Atmosphere**

**Counting Crows** 

If I could make it rain today And wash away this sunny day down to the gutter I would Just to get a change of pace Things are getting worse, but I feel a lot better And that's all that really matters to me Well, Amy hit the atmosphere Caught herself a rocket ride out of this gutter And she's never coming back I fear Anytime it rains she just feels a lot better And that's all that really matters to me We've waited so long For someone to take us back home It just takes so long Meanwhile all the days go drifting away And some of us sink like a stone Waiting for mothers to come There has to be a change I'm sure Today was just a day fading into another And that can't be what a life is for And anything she said well she feels a lot better And that's all that really matters to me We've waited so long For someone to take us back home It just takes so long Meanwhile all the days go drifting away And some of us sink like a stone Waiting for mothers to come I wanna know, I wanna know, I wanna know, I wanna know I wanna know, I wanna know, I wanna know, I wanna know All I really know is I wanna know And all I really know is I don't wanna know [repeated 6x]
