

Bad Time

Counting Crows

I'm in love with a girl
I'm talking about
I'm in love with a girl I can't live without
I'm in love but I sure picked a bad time to be in love
A bad time to be in love
Let her be somebody else's queen
I don't want to know about it
Too many others who know what I mean
That's why I got to live without it
Said I'm in love with a girl
I'm talking about
I'm in love with a girl
I can't live without
I'm in love
But I feel like I'm wearing it out
I'm in love
But I must have picked a bad time to be in love
A bad time to be in love
A bad time to be in love
A bad time to be in love
A bad time to be in love
The story is coming back to me
From my friends and the people I don't want to see
The things they're saying I know just couldn't be true
At least not until I hear it from you
Cause I love a little girl
I'm talking about
I'm in love with a girl
I can't live without
I'm in love
But I feel like I'm wearing it out
I'm in love
But I must have picked a bad time to be in love
A bad time to be in love
A bad time to be in love
A bad time to be in love
