

## Borderline

## Counting Crows

There's something in your eyes that won't let me be  
I don't want to be your prisoner  
So just set me free  
Stop playing with my heart  
Finish what you start  
Make my love come down  
If you want me, let me know  
Baby, let it show  
Honey, don't fool around

Just try to understand  
I've given all I can  
But you got the best of me

Borderline, feels like I'm going to lose my mind  
You just keep on pushing my love over the borderline  
Borderline, feels like I'm going to lose my mind  
You just keep on pushing my love over the borderline

Something in your eyes is makin' a fool of me  
When you hold me in your arms  
Well, I just can't see  
Then you let me down  
When I look around  
Honey, you just can't be found  
Stop driving me away  
I wanna stay  
There's something I got to say

Just try to understand  
I've given it all I can  
But you got the best of me

Borderline, feels like I'm going to lose my mind  
You just keep on pushing my love over the borderline  
Borderline, feels like I'm going to lose my mind  
You just keep on pushing my love over the borderline

Look what your love has done to me  
Come on, baby, just set me free  
You just keep on pushing my love over the borderline  
You keep on pushing me, baby  
Oh, you know you're driving me crazy  
You just keep on pushing my love over the borderline  
You cause me so much pain  
I think I'm going down insane  
You just keep on pushing my love over the borderline

You just keep on pushing my love over the borderline  
Oh, you just keep on pushing my love over the borderline

You just keep on pushing my love over the borderline
