

# Hangin' Around

## Counting Crows

She sat right down on the sofa  
I said, "Where have you been? I've been waiting for you.  
Cause last night I had something so good  
These days get so long and I got nothing to do"

I been hanginaround this town on the corner  
I been bummin' around this old town so long  
I been hanginaround this town on the corner  
I been bummin' around this old town for way too long

We spend all day getting sober  
Just hiding from daylight  
Watching TV  
We just look a lot better in the blue light  
Well, you know I gotta get out  
But I'm stuck so tight  
Weighed by the chains that keep me...

hanginaround this town on the corner  
I been bummin' around this old town too long  
I been hanginaround this town on the corner  
I been bummin' around this old town for way too long

And this girl listens to the band play  
She says "where have you been?  
I've been lyin right here on the floor"

Well, I got all this time  
To be waiting for what is mine  
To be hating what I am  
After the light has faded

hanginaround this town on the corner  
I been bummin' around this old town so long  
I been hanginaround this town on the corner  
I been bummin' around this old town for way, way,  
way, way, way too long
