

# Have You Seen Me Lately?

Counting Crows

Get away from me  
Get away from me  
This isn't gonna be easy  
But I don't need you  
Believe me

Yeah you got a piece of me  
But it's just a little piece of me  
And I don't need anyone  
And these days I feel like I'm fading away  
Like sometimes when I hear myself on the radio

Have you seen me lately?  
Have you seen me lately?  
Have you seen me lately?

I was out on the radio starting to change  
Somewhere out in America, it's starting to rain  
Could you tell me the things you remember about me  
Have you seen me lately?

I remember me  
And all the little things that make up a memory  
Like she said, "She loved to watch me sleep"  
Like she said, "It's the breathing  
It's the breathing in and out and in and

Have you seen me lately?  
Have you seen me lately?  
Have you seen me lately?

I was out on the radio starting to change  
Somewhere out in America it's starting to rain  
Could you tell me the things you remember about me  
And have you seen me lately?

You, I thought that someone would notice  
I thought somebody would say somethin'  
If I was missin'  
Oh can't you see me?  
Come on color me in  
Come on color me in

Come on color  
Come on  
Come on  
Come on  
Come on

Give me your blue rain  
Give me your black sky  
Give me your green eyes  
Come on give me your white skin  
Come on give me your white skin  
Come on give me your white skin

I was out on the radio starting to change

Somewhere out in America, it's starting to rain  
Could you tell me the things you remember about me  
And have you seen me lately, have you seen me lately?  
Have you seen me lately?
