

Hazy

Counting Crows

When you disappear on me,
It's just like parades in the rain,
Every time I see you, you just disappear again,
Every time you're leaving I don't know what to say,
I wanna see this whole town go away.

So could you tell me, why you're leaving,
'Cause I don't know why it has to be so,
Could you tell me, why you're leaving,
'Cause I don't know, I don't know,
I don't know, I don't know.

All these ending love songs,
Come into my eyes,
But every time I see you,
I'm alive, I'm alive.

So could you tell me why you're leaving?
'Cause I don't know why it has to be so,
Could you tell me why you're leaving,
'Cause I don't know, I don't know,
I don't know, I don't know, I don't know.
